

Young Leaders in Healthcare 2021-2022

The Mission Statement of YOUNG LEADERS IN HEALTHCARE is

- To provide a forum for high school students to learn about the Health Care System and its breadth of career opportunities.
- Mentor students in the act of leadership giving them tools to use in their daily life.
- Provide a project to satisfy high school requirements and make a positive impact on the community.
- Provide a venue for a student run competition where each school presents a topic in line with the year's goal.
